

## Person County Quilt Trail Application

The Person County Quilt Trail is a celebration of our local agriculture, community artists, and our rich family heritage. This self-guided trail will encourage local residents and visiting tourists to travel around Person County's beautiful rural landscape and shop our various agri-businesses and local products. We welcome new participants to join the trail of cultural heritage through the display of quilt blocks and sharing their family stories.

Participants will be featured in promotional materials, including a Quilt Trail map, brochure, and website. To be considered as a site along the trail, fill out the front and back of this application and include a photo of the barn/building in which the quilt block will be placed and a photo of the quilt block. Applicants are responsible for obtaining their own painted quilt blocks. If you do not have a quilt block, a list of local artists can be provided upon request.
