Fall & Winter Program Guide 2019

Dear Person County Citizens and Visitors,

I hope you've all been out there in the parks enjoying your summer and the beautiful weather that we have had here in Person County! Summer time is one of my favorite times of the year to enjoy parks, lakes, summer shows, concerts, sports and picnics with family and friends. We still have plenty of warm weather left to get out there and enjoy more sunshine and recreation before the fall season. As summer passes us by and with the changing of the weather, we all have a lot more fun programs and activities that are coming up to enjoy all over Person County! With a change in the air and a break from the heat, what better way is there to enjoy the beauty of fall than to be out enjoying the many recreational opportunities that the Person County Recreation, Arts, and Parks Department has to offer? We have athletic opportunities like baseball, softball, soccer, basketball, football and more; outdoor recreation at Mayo Lake such as fishing, camping and star-gazing; special recreation programs like cheerleading, dog training and trips to the Bahamas; and more shows and movies at the Kirby Cultural Arts Complex.

For all the things we have going on, it is definitely 'Better in Person'!
Let's all keep recreating and making Person County the best community that it can be!

Sincerely,

John Hill

John Hill, Director

Person County Recreation, Arts, and Parks Department
