

NOTICE OF PUBLIC HEARING

Pursuant to North Carolina General Statute 153A-340 and 153A-323, notice is hereby given that a public hearing will be held by the Person County Board of Commissioners on Tuesday, September 8th, 2020 at 7:00 p.m. in the Auditorium of the Person County Office Building at 304 South Morgan Street, Roxboro, North Carolina 27573.

The subject of the public hearing will be consideration of an extension of the existing moratorium on the placement of any and all new solar energy systems for a period of two (2) months from the date of the moratorium enactment. The purpose of the original moratorium was to allow the county to research all applicable considerations necessary for the proper enactment of a regulatory scheme for solar energy systems. The purpose of the moratorium extension is to allow the Planning Department adequate time to achieve the purpose of the original moratorium due to the state of emergency from the COVID-19 pandemic and recent cyber incident with the municipality's Information Technology system.

The public is invited to attend the meeting. Substantial changes may occur to the request based on comments from the public hearing. The Board of Commissioners reserves the right to recess the public hearing at another place and time. For further information on the case(s) listed above, please contact the Person County Planning and Zoning Department at (336) 597-1750
