

## Our Mission

The digital inclusion taskforce is committed to engaging with community stakeholders to identify and address digital disparities, create opportunities for digital skill-building, and advocate for policies that promote digital equity and inclusion. By developing a countywide digital inclusion plan, we aim to empower our community members with the resources they need to succeed in the digital age and create a more inclusive and prosperous community for all.

## Our Vision

For everyone in Person County to have the access and skills to participate in a digital world.

## What is Digital Inclusion?

- ✓ Digital Equity refers to the goal of all people having equal access to digital resources, such as the Internet or a device.
- ✓ Digital Inclusion refers to the efforts made to achieve digital equity.

### Digital Inclusion aims to improve:

- ✓ **Internet Availability**  
Do residents have sufficient options for high-speed Internet?
- ✓ **Internet Affordability**  
Can residents afford a high-speed Internet subscription?
- ✓ **Device Access**  
Do residents have a way to use the Internet?
- ✓ **Digital Literacy**  
Do residents know how to use computers and navigate the Internet?
- ✓ **Technical Support**  
Do residents have access to help if they need it?

## What is the Digital Inclusion Taskforce?

Person County's Digital Inclusion Taskforce is a group of county and community representatives committed to developing and implementing a plan to achieve digital equity in Person County.

## What are the Taskforce's Goals?

### Assess Needs & Resources

Determine digital needs in community and identify pre-existing resources to address those needs

### Set Goals and Strategies

Set community-centered goals, as well as timelines and plans to meet those goals

### Write and Implement Digital Inclusion Plan

Develop a draft to incorporate needs, resources, goals, and strategies, and execute the plan once finished

### Involve the Community Throughout the Process

Involve the community in every single step of the process by attending community events, hosting listening sessions, including community members on the taskforce, and opening the draft plan for public comment
