Safety Awards Program—Roxboro, NC, June 27, 2023

The Person County Recycling Center and PI Community Contracts were awarded with their 8th (PCRC) and 9th (PI CC) consecutive gold Safety Award at the 2023 Awards Banquet.

The banquet was held at Homestead Steak House and included employees from many different areas of expertise across Person County. After a delicious dinner, Commissioner of Labor Josh Dodson shared his experiences in the position as well as his intent to step down from elected office come December 2024. During his tenure, Commissioner Dodson has faced many difficult challenges, including restrictions and strict guidelines surrounding the COVID-19 pandemic. His encouraging speech reminded us all that we are here to do a job but most importantly to return home to our families safely.

Congratulations and Thank You to the staff of Person Industries for making safety a priority.

Up Close at Person Industries

PI would like to share the sad news of the passing of two of our employees:

Charlie Bailey was a beloved employee who passed away on June 11, 2023. Charlie began employment with PI in 2015 as a PT Production Employee in the Eaton area and moved to the receptionist position at PCRC. Charlie will be greatly missed.

Dianne Reed was a dedicated and active employee who passed away on June 25, 2023. Dianne began working at Person Industries in the Eaton area in 2016 and then moved out to Wesbell over the last year. Dianne will be fondly remembered.

We send our condolences to their family and friends.
