Stayin' Relay For Life Alive

Person Industries has been fighting the fight by raising money for Relay for Life Person County, which is scheduled for Friday, September 15th from 4:00-10:00 pm at Huck Sansbury Park. We have hosted two fundraising events this summer—a Hot Dog Luncheon and Fresh Squeezed Lemonade Stand. All proceeds benefit the Person County Relay for Life, and over \$800 was raised for the cause.

Direct Support Professional Recognition Week is a week-long celebration that acknowledges and honors the remarkable work of DSPs who contribute tirelessly to the lives of people with disabilities. September 11-15, 2023 will be used to show appreciation to our unsung heroes! More details will follow—we look forward to this special week!

NCARF...Working Together to Impact Change

On Thursday, August 24, 2023, Governor Roy Cooper signed House Bill H323: Retain Adult Developmental Vocational Rehabilitation Programs unto law. This was an incredible team effort on the state level and protects the outstanding work of ADVPs and Community Rehab Programs in North Carolina as they continue to support people with I/DD and their families!

Person Industries has provided ADVP services for almost 40 years. This program provides organized developmental activities for adults with developmental disabilities to prepare the individual to live as independently as possible, all while allowing opportunities for leisure activities and the development of community living skills.

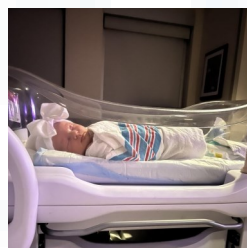

PI Closes for Staff Training Day

PI will be closed to program employees for a mandatory day of training for staff on Friday, September 22, 2023. Training will be held at the FEMA Shelter from 8:00 a.m. – 4:00 p.m.
