# CONSIDERATION OF AN ECONOMIC DEVELOPMENT SEARCH CONSULTANT:

County Manager, Heidi York noted at the Economic Development Commission's last meeting, a recommendation was made to utilize the services of an executive recruiter and search consultant to assist in filling the County's vacant economic development director position. Ms. York stated Person County has not previously engaged outside assistance in filling any positions. She added that proposals were solicited from economic development consultants who specialize in filling these specific positions. Because the costs of the contracts exceed the Manager's contract authority, Ms. York presented a comparison of the three consultants' proposals received from 1) Hayes Group Consulting, 2) Jorgenson Consulting and 3) Creative Economic Development Consulting. Ms. York highlighted the proposed time frames ranging from six to 17 weeks dependent upon the scope, and the associated estimated costs ranging from \$12,300 plus to \$30,000 plus expenses and mileage dependent upon an all-encompassing turnkey process or a partial scope. Ms. York stated reference checks would be conducted should the Board decide to move forward with engaging a consultant.

Ms. York explained the most obvious reason for utilizing an outside consultant was to maximize the potential to solicit and attract a broader range of candidates in hopes of finding the best fit for Person County with the downside being a longer duration for the completion of a hiring process and the additional costs. Ms. York optioned that if the process was drawn out for several months, it may make sense to engage the services of an interim director to continue moving the County forward through this transitional period.

Ms. York requested the Board to provide feedback to the Manager on whether the Board was interested in contracting with a consultant for the executive recruitment of the County's Economic Development Director.

Following the Board's discussion, it was the consensus to utilize the County's hiring process and to not engage a consultant through a contract at this time. It was noted that if the candidate pool does not yield a good turnout, future consideration for the consultant's recruitment to fill this position could be reevaluated.

Commissioner Jeffers recommended Chairman Kendrick to serve on the final candidate panel. Vice Chairman Powell added a member or two from the Economic Development Commission also serve on the panel. Ms. York stated the panel represented a diverse interest of the community noting staff tried to keep the Board separate from the personnel process. She said she would give the Board periodic updates along the way related to the candidate pool.

# PROPOSAL OF A RETENTION BONUS FOR CURRENT HOME HEALTH AND HOSPICE EMPLOYEES:

Health Director, Janet Clayton stated that on May 21, 2018, the Board voted to consider the sale of Home Health and Hospice of Person County with the direction to keep the programs open. Ms. Clayton noted that agencies statewide, who have navigated similar processes, have offered retention bonuses to employees to encourage continued employment with the agency through the process regardless of the end decision. Ms. Clayton presented the recommended one-time retention bonus to offer to the seven eligible positions of Home Health and Hospice of Person County was seven percent (7%) of the employee's base salary as of July 1, 2018 and would be payable thirty (30) days after finalization. Ms. Clayton said she had conferred with the County Manager, Human Resources, County Attorney as well as the consultant working with the County.

County Attorney, Ron Aycock confirmed the proposed retention bonus would be payable as presented by the Health Director regardless of the end decision.

County Manager, Heidi York said there was potential for placement within the county organization for employees should the Board vote to sell the agencies and those staff did not want to transition with the private provider.

Ms. Clayton noted that should the Board approve this concept, a budget amendment will be brought to the Board later in the new fiscal year. She added that eligible employees will be required to sign a contract agreeing to stay in their positions during this transition period.

A **motion** was made by Commissioner Jeffers and **carried 5-0** to approve a onetime seven percent (7%) retention bonus for the seven eligible staff that sign a contract agreeing to stay in their position during the potential sale and transition of Home Health and Hospice of Person County to be payable thirty (30) days after finalization.

Chairman Kendrick noted Commissioner Clayton has registered to attend the NACo Conference and asked the Board's consideration to designate Commissioner Clayton to serve as Person County's delegate.

A **motion** was made by Chairman Kendrick and **carried 5-0** to designate Commissioner Clayton to serve as Person County's voting delegate at the National Association of Counties' 2018 Annual Conference.

# DESIGNATION OF VOTING DELEGATE FOR THE NC ASSOCIATION OF COUNTY COMMISSIONERS 2018 ANNUAL CONFERENCE:

Chairman Kendrick stated his concerns related to the Jeffers' having family land in the vicinity of the Sun Rock Quarry noting past conversations where folks and church representatives had contacted Commissioner Jeffers with complaints. He felt it was not a good precedence for the Board with the potential court case. Chairman Kendrick said he would be voting in opposition.
